

Woking Swimming Club

Roll of Honour

2006 - Emma Davis

Emma Davis joined Woking SC as a 6-year-old Associate in 1992 and has been a valuable A team swimmer throughout all her years as a Full Member, despite a setback early on when breaking her arm badly on poolside at a gala. She has been the perfect swimmer to coach – doing her best in training and in competition, always being totally reliable and able to compete well in any of the four strokes. Emma has a healthy collection of County medals for both individual and relay events and has held several club records, some of which still stand.

Emma's swimming prowess has helped her to achieve great success in triathlon events. In 2006 she was winner of the Irish National Championships and recently came 5th in the Women's Elite race of the first Aquathlon World Championships. This involved a 1,000m swim in Lake Geneva followed by a 5km run which Emma completed in 33.45 minutes.

We are delighted that Emma has continued to swim at galas for WSC whenever her commitments allow. Despite her training at Bath University being geared to the distance swims of triathlons, she still does well whenever she swims for us and broke the Open 100m freestyle club record this year. Modest and unassuming, she certainly deserves her addition to the Roll of Honour.

For her loyalty and length of service Emma Davis has been added to the Roll of Honour in 2006.
