

Woking Swimming Club

Roll of Honour

2003 – Matthew Richardson

Matthew has been a member of Woking Swimming Club since joining as a seven-year-old in 1990.

He is a shining example of a swimmer who as a young boy was only considered to be a B team member (good at butterfly sprints as long as he didn't stop to breathe!) who went on to become one of the Club's fastest swimmers. His determination and Coaches' encouragement led to Matthew achieving some Club records in Backstroke and Freestyle and becoming a County medallist. A pleasure to coach and have as a team member, Matthew could always be relied upon to swim when needed. Currently a student member, Matthew has been abroad during much of the past year but has competed for Woking whenever he could.

For his length of service and loyalty, Matthew Richardson has been added to the Roll of Honour in 2003.

Matt has now retired from swimming.
